

## How to Access Community Service Forms

- As part of the new graduation requirements, the freshmen class is required to complete 50 hours of community service prior to graduation. Freshmen will document their community service differently.
- All required documents can be found on your Class Link page. The icon that looks like this:

- A signed verification form is required for each community service experience. You can find this in the CRHS Community Service Folder. Looks like this:

- Students will fill out a google form to document their community service and upload the signed verification sheet. You can also access the google form in the CRHS Community Service Folder. Looks like this:
