

Senior Privilege

Late Arrival/Early Dismissal

Name _____

Period _____ Quarter _____

Seniors with written permission are provided the privilege to leave school for the last period of the day if they have a study hall. Students must report to the main office and sign out before they leave. This privilege will be revoked either temporarily or permanently for the following reasons:

- If a student is tardy to school then they will lose the privilege to leave early that school day.
- If a student has a grade less than 70 in any subject area on their report card then they will lose the privilege to leave early until the grade is improved as documented on the following report card.
- If a student has a detention or ISS then they will lose the privilege to leave early that school day.
- If a student does not follow the procedure and rules for Senior Early Dismissal, they will lose the privilege to leave early for a time to be determined by building administration.
